## Shareholder Transfer Fee Request Form

Stock Transfer fees can vary by different companies. For this reason, we ask that you email us so we can help you calculate the fees for your transfer. Please complete this form, or simply email us at [info@legacystocktransfer.com](mailto:info@legacystocktransfer.com), so we may help you calculate these fees.

The following information will help us determine your transfer fees:

Name of Issue	
Number of shares being transferred	
Number of old certificates being submitted	
Number of new certificates requested **	
Are the shares restricted	
Are you asking for the legend to be lifted	
Would you like RUSH service	
Are the shares being returned via FedEx***	
Shares to be sent via DWAC****	
Shares to be sent via DRS****	
Please hold shares in Book Entry	

\*\* Maximum of 25 million shares per certificate/book entry

\*\*\* There is no fee if you provide your own FedEx/UPS account number. Please indicate the address where the shares are being couriered to.

\*\*\*\* The company must be on the DTCC FAST system in order to be transferred via DWAC. In addition, if you would like to have your shares transferred via DRS, the issuer must be a DRS eligible company.
